

The next generation of Online Banking is live! Follow along to see some of the latest updates and new features available to you now!

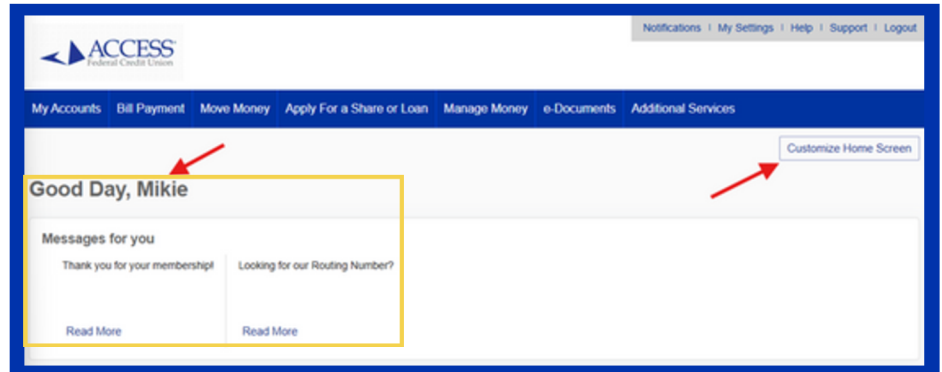

## WELCOME TO NEXT GEN ONLINE BANKING

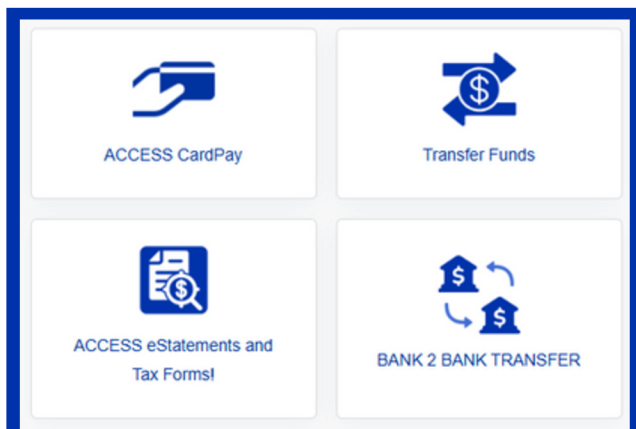

After your initial login, you will be taken to the Home Screen. From here you have the option to customize your greeting. By navigating to "Customize Home Screen" you can set your greeting name/phrase to anything you'd like. You will be the only one that can see it.

## MESSAGE PANEL

Underneath your greeting you will find the message panel (highlighted here in yellow). This is where you will find the latest news and updates as well as our routing number.

## QUICK ACTION BUTTONS

To the right side of the page you will find the "Quick Action" buttons. These give you quick access to the following services: CardPay, Transfer Funds, eStatements and Tax Forms, and Bank 2 Bank Transfer.

Updates and features cont'd:

## MOBILE CHECK DEPOSIT

To view details from your Mobile Check Deposit, click the blue arrow (highlighted here in yellow) on the right hand side of the transaction description.

Clicking the blue arrow will bring up "Transaction Details." Here you will find the description (including check number), amount, date, share it is deposited to, the type of transaction, and an image of your check.

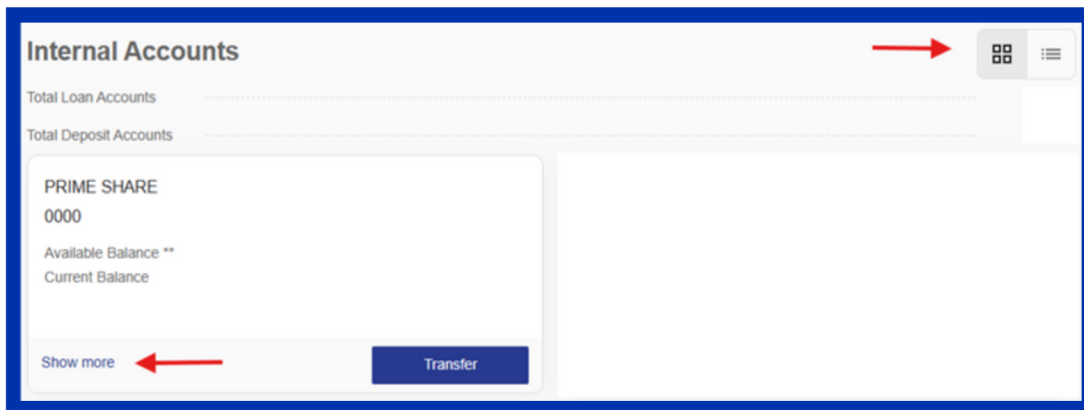

Updates and features cont'd:

## ACCOUNTS VIEW

Underneath the message panel is a toggle where you can switch the view of your shares and loans from Tile view (default) to List view. Beneath that toggle is a summary of your shares and loans.

## SHOW MORE

Clicking on "Show More" will show a short list of recent transactions. Clicking on the Share or Loan itself will show more transaction history and additional functionality

We're excited for you to experience this update to Online Banking and as always encourage you to call or text us at **315-557-1000** with any questions.
